

CMT2D C08-140

## Media Titan with dual Digital Tuner

The Media Titan combines a full featured network HD media player with a personal video recorder. You can record all your favourite TV shows and movies thanks to the built-in dual DVBT tuner. The Electronic Program Guide (EPG) makes it very easy to select what you want to watch and/or record. The Media Titan is a high definition network media player which supports playback of all your digital movies, photos and music from the internal hard drive or over your network up to 1080p resolution. You can stream directly from your computer or from compatible UPnP AV storage devices like the Grab 'n' GO NAS products. The intuitive interface and remote control with scroll wheel allow you to easily access all your digital content.

### Highlights

- Stream movies over the network with UpnP AV client
- Playback all your digital media (Full HD 1080p movies, photos and music)
- Navigate 90% of the functions with the sleek designed scrollwheel on the remote control
- Dual DVB-T tuner to record from (free-to-air) TV channels and watch another
